In re Application of :

Application No. 10/615,472 :  
Filed: 7 July, 2003 :  
Attorney Docket No. 10020072-5 :

ON PETITION

This is a decision on the petition under 37 CFR 1.182, filed on 19 July, 2004, to correct the names of the inventors in Office records.

The petition is **GRANTED**.

The inventorship has been corrected as follows:

1. Lewis R. Dove, Monument, CO
2. Marvin G. Wong, Woodland Park, CO

The change has been noted in the official file. A corrected filing receipt is attached.

It is noted that the declaration filed on 7 July, 2003 in the present application is missing the signature of joint inventor Dove. Nevertheless, since the application transmittal sheet filed in the present application on 7 July, 2003, states that the present application is a continuation of Application No. 10/176,025, and that a copy of the oath or declaration has been supplied from the parent application, a copy of the declaration from the parent application bearing the signature of both joint inventors has been placed in the file of the present application.

As the present petition was not due to an error on the part of petitioners, the petition fee of \$130.00 will be credited to counsel's deposit account, No. 50-0178, as authorized in the present petition.

The application is being forwarded to the Publishing Division to await petitioners' response to the Notice of Allowance and Issue Fee Due.

Telephone inquiries concerning this matter may be directed to the undersigned at 703-308-6918.
